

Advantage Academy-Grand Prairie has developed a Traffic Management Plan for the pick-up and drop-off of our students that will ensure their safety. We ask parents to help us ensure the safety of our students by adhering to this plan. We encourage parents, where possible; to consider car pooling, that will help diminish traffic congestion.

The Plan

- For arrival and dismissal, we ask parents to use SW 3rd Street, marked “entrance only,” and to drive to the student pick-up / drop-off area located directly in front of the main education/office or Gym area buildings and exiting back unto SW 3rd Street marked “exit only” after driving completely around campus area.
- K-5th (7:30 – 7:50) parents may drop-off at the west annex /elementary café building for breakfast and student monitoring.
- 6th – 12th (7:30 – 7:50) parents may drop-off at the Gym for breakfast and student monitoring.
- At dismissal all students will assemble in front of the main education/office and Gym buildings for parent pick-up. Students will wait until their ride pulls up to the loading/unloading area where a staff member will assist or direct them to their designated car.
- Parents should form a traffic line, not stopping to pick up or drop off students until they reach the crossing guard.
- Parents must display the official Advantage Academy Tag with the student’s name and grade. If a parent does not have the “tag,” that parent will need to park and enter the building, present their ID and be on the approved list for picking up their student(s).
- The pickup and drop off area is a “no phone zone” (By law, it is punishable by a fine up to \$200 if you are apprehended using a hand held cell phone in a school zone).
- Discrepancies from this plan will be dealt with rigidly. Parent compliance with this plan is a condition to student’s enrollment.
