

Middle School

Advantage Academy-North Duncanville has developed a Traffic Management Plan for the pick-up and drop-off of our students that will ensure their safety. We ask parents to help us ensure the safety of our students by adhering to this plan. We encourage parents, where possible; to consider car pooling, van pooling, or other public transportation, that will help diminish traffic congestion.

The Plan

- We ask that you as a parent either bringing or picking up students enter through the south side driveway, marked “entrance only”, and to drive around the building to the North side, exiting on the north side of the building.
- Students will congregate in the fenced area, exiting the building through the door from the dining hall. Students will wait there until their ride pulls up to the loading/unloading area where a staff member will direct them to their car.
- We also ask your cooperation that the pickup and drop off area be a “no phone zone” (By law, it is punishable by a fine up to \$200 if you are apprehended using a hand held cell phone in a school zone).
- Discrepancies from this plan will be dealt with rigidly. Your compliance with this plan is a condition to your student’s enrollment.

K – 5th Grades

- We ask that you as a parent enter through the driveway on Exchange Service, marked “entrance only”, drive to the Southwest side of the building, exiting onto Joseph Hardin Dr.
- Parents should form two lines of traffic, not stopping to pick up or drop off students until you reach the SW side of the building.
- Students will be picked up and dropped off on the SW side of the building. Please display the official Advantage Academy Tag with your student’s name and grade on it. If you do not have the “tag”, you will need to park and enter the building, present your ID and be on the approved list for picking up your student.
- We also ask your cooperation that the pickup and drop off area be a “no phone zone” (By law, it is punishable by a fine up to \$200 if you are apprehended using a hand held cell phone in a school zone).
- Discrepancies from this plan will be dealt with rigidly. Your compliance with this plan is a condition to your student’s enrollment.
