

Advantage Academy-Rowlett has developed a Traffic Management Plan for the pick-up and drop-off of our students that will ensure their safety. We ask parents to help us ensure the safety of our students by adhering to this plan.

The Plan

- We ask that you as a parent enter through the west entrance, drive around all buildings to the east side of the school and drop off or pick up students in front of the school. Please stay in the left lanes on the east side of the building and in front of the school to allow traffic to exit in the right lane. You will exit through the west entrance.
- During pickup students will wait in the gym or in front of the school with staff members until their ride pulls up to the loading/unloading area where a staff member will direct them to their car.
- For Kinder – 5th grade please display the official Advantage Academy Tag with your student's name and grade on it. If you do not have the "tag", you will need to park and enter the building, present your ID and be on the approved list for picking up your child.
- If you need to come inside the school with your child for any reason, please park in the area behind the school and walk to the front entrance.
- We also ask your cooperation that while driving your vehicle on school property you adhere to the "no phone zone" (By law, it is punishable by a fine up to \$200 if you are apprehended using a hand held cell phone in a school zone).
- Discrepancies from this plan will be dealt with rigidly. Your compliance with this plan is a condition to your student's enrollment.

Advantage Academy-Rowlett Traffic Flow Plan

"NO PHONE ZONE" while driving vehicle on property

One Way Only...Do Not Park at any time

ENTRANCE

EXIT

Church

Dome

Pull to end of driveway to pick up students

No Parking in drive in front of school

Parking
