

Advantage Academy-Waxahachie has developed a Traffic Management Plan for the pick-up and drop-off of our students that will ensure their safety. We ask parents to help us ensure the safety of our students by adhering to this plan. We encourage parents, where possible; to consider car pooling, that will help diminish traffic congestion.

The Plan

- For arrival and dismissal, we ask parents to use either the 287 Service Road entrance or Stadium Road driveway, marked “entrance only”, and to drive around the church building to the north side (school entrance), exiting on the 287 service road or High School Drive.
- We ask parents to drop off students only at the north entrance (by school office) in the morning.
- At dismissal students will assemble in the following locations:
 - K-2nd** (3:00) at the west entrance (by Preschool office)
 - 3rd-5th** (3:15) and **JH/HS** (3:45) at the north entrance by the school office.Students will wait until their ride pulls up to the loading/unloading area where a staff member will assist or direct them to their designated car.
- Parents should form a traffic line, not stopping to pick up or drop off students until they reach the crossing guard.
- Parents must display the official Advantage Academy Tag with the student’s name and grade. If a parent does not have the “tag,” that parent will need to park and enter the building, present their ID and be on the approved list for picking up their student(s).
- The pickup and drop off area is a “no phone zone” (By law, it is punishable by a fine up to \$200 if you are apprehended using a hand held cell phone in a school zone).
- Discrepancies from this plan will be dealt with rigidly. Parent compliance with this plan is a condition to student’s enrollment.
