Compulsory Attendance – Student is absent ten (10) or more full or partial days within a six month period without an excuse; or student is absent three (3) or more full or partial days within a four-week period without an excuse.

Promotion to Next Grade Level – Student has successfully passed all courses with a 70% or above.

Student Success Initiatives – The State Level Student Success Initiative (SSI) grade advancement requirements apply to the TAKS reading and mathematics tests at grades 5 and 8. As specified by these requirements, a student may advance to the next grade level only by passing these tests or by unanimous decision of his or her grade placement committee that the student is likely to perform at grade level after additional instruction. See http://www.tea.state.tx.us/index3.aspx?id=3230&menu_id=793.

Also, the District Level Student Success Initiative (SSI) grade advancement requirements apply to State TAKS Assessment in reading, Math and science at grades 3, 4, 6, and 7. A student may advance to the next grade level only by passing these tests; or by attending the Flexible

Year Program and a unanimous decision of his or her grade placement committee has determined that the student is likely to perform at grade level after additional instruction.

Standard Score – A score identified by TEA (TAKS grades 3-12) and/or District (IOWA, TPRI grades K-2) as a standard score a student must obtain on all core subject area assessments (Reading/ELA, Math, Writing, Science and Social Studies) at the appropriate grade level.
