### Student of the Month

**Arshia Dehghan**

Great Job Arshia! Keep up the good work!

We had a succinct and informative PTO meeting on September 14<sup>th</sup>, and enjoyed the 4<sup>th</sup> grade Indian project presentations. Your parent leaders are inspirational and supportive, and we are very appreciative. Also, many thanks for all the teacher lounge goodies you have given our faculty and staff this past month. I especially enjoyed the Starbucks coffee!

This next month we will meet on November 9<sup>th</sup> at 6:30 in the church fellowship hall. Please join us. Our WAX parents are always informed and motivational, and one of our teachers, Valerie Trinkle, will share briefly about Dyslexia and our RTI process for helping “at-risk” students.

We will be sending a letter about Community Service Hours that is also contained in the Student Handbook (23). This inaugural program will be in effect for 9<sup>th</sup>-12<sup>th</sup> grade students. Also we will host Parent/Teacher meetings from November 2<sup>nd</sup> to November 11. According to the state, parents in Kindergarten through 5<sup>th</sup> grades must meet or talk on the phone with your teachers. We encourage our 6<sup>th</sup>—12<sup>th</sup> grades to take advantage of this opportunity to coordinate a meeting or phone call, as well. You may contact the teachers using their first initial and last name @eaisd.org. Please call our office if you need any help.

As always, we are privileged to partner with you in educating your children,

Many blessings,

*Susan Buchheit*
