

# It's Time for Saturday School!!!

Parents and students,

This Saturday we will host another adventure in learning at our Saturday School! We are looking forward to an exciting day of learning and mastering the objectives that our students must know for the upcoming TAKS tests. Every other Saturday your child has the opportunity to join other students for a highly energized and motivational day full of new strategies and methods to break the TAKS codes!!!

Don't miss out on this opportunity for your child to be enriched and challenged by some of our most highly qualified and gifted teachers. Send your child this Saturday, February 6th from 8:50 a.m. to 11:50 a.m. Don't forget to bring a snack!

We're building Champions with a Future and a Hope!!!

## You Are Cordially Invited to..

A very special parent night with Dr. Caroline Leaf! Dr. Caroline Leaf, Ph.D. is a leading Neuro-Metacognitive learning specialist, educator and author. She has recently trained all Advantage Academy teachers with her 5-step learning process and its tool, the Metacognitive Map. Dr. Leaf has trained thousands of educators and over 100,000 students worldwide to understand and apply this unique learning method which has proven to increase a student's learning capacity between 35-75%.

*Dr. Caroline Leaf*

There has never been a better time for you and your child to join us in this endeavor.

**Please join us Monday, February 8, 2010 at 7:00 P.M. in the North Duncanville Middle School Cafeteria.**
