ROWLETT

Greetings!

It's that time again! Summer is over and school is starting. I hope that everyone has had a blessed, safe, and relaxing summer. There is no doubt in my mind that this year will be our best year at Advantage Academy - Rowlett. We have great kids and great families that will work in true partnership with us. We have a great staff that is committed to your children. Our goal is to "build champions with a future and a hope." Success will come when staff, parents, and students all work together! We are here to serve your family! Please feel free to contact us for any and all information.
