

The Eagle's Nest

September, 2011

Thank you to everyone that attended Elementary Parent Orientation. If you were not able to attend please stop by the front office for a copy of the information that parents received. You may also set up a parent teacher conference if needed.

JH Parent Orientation

Thursday

September 8

6:00-8:00 pm

The Principal's Desk!

Wow! We have had a great start to the new school year! One thing is clear to me as we begin a new school year:

We have great kids and all of them brighten my day in some way every day.

We have great families and the level to which many of you have worked in true partnership with us is very encouraging. Parents, teachers, and staff are partners in the successful education of children.

We have a great staff. They are being asked to do a lot of things and I am continually amazed at their commitment to your children.

Our motto is "Building Champions with a Future and a Hope!" We believe champions have integrity, humility, authority, stability, community, prosperity, and victory. Our dedication to your family includes providing quality instruction, fostering positive role models, challenging students, and connecting with our community. I believe this can be done because of our partnership with you!

Thank you for the opportunity to serve your family!

For the Kidz,

Lisa Hiatt

Rachel's Challenge

We will begin Character Assembly on September 21. Elementary Character will be the 1st and 3rd Wednesday's of each month. JH Character will be the 2nd and 4th Wednesday's of each month. All rallies will begin at 8:10 am. During Character Assembly we focus

on being kind to each other. This is a program called Rachel's Challenge. Rachel's Challenge focuses on five core principles: eliminate prejudice, dare to dream, choose positive influences, use kind words, and start a chain reaction.

(www.rachelschallenge.org) Last year our students had over 3000 chain links of random acts of kindness. We believe in building students with good character. Our students have proven that random acts of kindness can exist in our world.

Chain Links from 2010-2011
