For the Kidz!

What a great start to our school year! Students are attending tutorials and progress reports have been sent home. Our middle school girls volleyball team is undefeated and our Homecoming Court was crowned last Thursday night. Students are following dress guidelines and arriving to school on time. Parents are volunteering in classrooms! We are excited because you have decided to partner with us to help your child become a "Champion!"

Character Assembly is going strong at AAR. Our students are receiving random acts of kindness links as well as learning about integrity. This month we will learn about humility through forgiveness and compassion. "Forgiveness is not an occasional act: it is an attitude." (Martin Luther King) Parents are welcome to attend Character Assembly. Check the Eagle Report or Schoolstream for times.

Please let me know if there is anything I can help you with.

**Mrs. Hiatt, Mrs. Carter, Mrs. Mayne, and Mrs. Hancock
Fashion Disaster Day!**

PTO / Booster Club

If you are interested in helping with our PTO (Parent Teacher Organization) or Booster Club, please stop by the front office. PTO is for Kinder-8th grades.

Booster Club is for 6th-8th grade parents/guardians of athletes. There is a simple paper application that must be completed as well as completing a volunteer background check online. We are in need of Middle School parents who are willing to work the game gates or concession stand.

Thanks for all you do!

Zachary Hentschel

Our first graders have been learning about their community. They are designing something found in their community. Zachary made a car repair shop.
