ADVANTAGE ACADEMY - ROWLETT

The Eagle's Nest

Fall has arrived!

Wow! Fall is such a wonderful time of year. Cooler weather, some leaves changing, and Christmas around the corner. It also means projects, nine week testing, report cards, and student holidays.

Well, our students have been busy with such things as making businesses found in the community, creating a country, researching their family tree, and learning how to make a roller coaster out of pipe insulation and duct tape! Trust me, everyone learned a lot!

Other events happening include our first trip UIL Aca-

demics at Frost ISD this month. We are excited because Rowlett will be represented by a large number of students participating. Our kidz are fantastic!

Basketball season is here for Middle School. We are anticipating a great season. Everyone is welcome to join us and cheer our AA-Rowlett Basketball teams to victory! Check with the front office for a schedule of games.

Thanksgiving is in twenty four days. I am thankful that I have the opportunity to serve so many great families. George Washington made a Proclamation recognizing

November 26, 1789, as a day "devoted by the people of these States to the service of that great and glorious Being who is the beneficent author of all the good that was, that is, or that will be..." We want to join with you, our parents, and celebrate Thanksgiving on Tuesday, November 15. We will be sending home information so that you may join us for Thanksgiving lunch and activities.

May each of you have a blessed Thanksgiving!

For the Kidz,

Lisa Hiatt, Principal
